Research and knowledge translation in age-friendly communities

Dr Kathleen Brasher

Research as AFCC partner

What works?

Where?

For whom?

Did we make a difference?

How – the evidence

Co-production

Governance

Partnerships

Four-step process

What and Where?

Exchange between cities and communities

Global Network for Age-friendly Cities and Communities

Mega-map

Academic literature

Why partner with researchers?

Strengthens policy and political commitment

Reduces costs

Shows evidence to support actions

Builds trust and connection
